

This is what our customers are saying:

Just had to send an email to say the pillows are great, slept on them for the first time last night.....wonderful!

I finally got my husbands old stinky pillow out he is so fussy when it comes to pillows the one he has been sleeping on is so old but he would not sleep on anything else they are too high etc. so as soon as I got home from the post yesterday I put them on the bed I said to him lay down check that pillow out well what a winner, I GOT TO THROW THE OLD ONE OUT! THANK YOU! So now he is a walking advert for the pillows.

*Thanks again

Received the pillows... they are the best pillow I have ever slept on. I feel privileged to have actually bought one. My husband Gary reckons it's the best nights sleep he has ever had!
